- Process TO DO's to ensure accurate and timely billing.
- Timely maintenance and update of customer accounts in CC&B.
- Prepare and send customer contact letters.
- Review and audit of post-meter reading route reports such as RPT 29 (exception report) and the unbilled list report.
- Analyze/correct crossed meter conditions
- Handle/bill stuck meter conditions.
- Process final bills.
- Process new service requests.
- On-line entry of transactions.
- Miscellaneous filing.
- Process cancel rebills.
- Monitor/log/process bankruptcy accounts.
- Process and control payments and pay plans.
- Monitor/prepare shut-off FAs and dispatch updated information to field personnel.
- Perform collection activities.
- Other duties and projects as assigned by supervisor.
- Process daily bank deposits, daily cash and control sheet.
- Assist Billing Specialist as back up.

Qualifications:

- High school diploma or equivalent.
- Intermediate computer skills, including Excel and Word programs.
- Customer service experience.
- Excellent interpersonal and communication skills.
- Ability to speak and understand Spanish is desirable.

Physical Requirements:

- Use computer and calculator keyboard.
- Use written, verbal and audio communication and information sources.
- Retrieve and file documents.
- Ability to sit for extended periods of time.
