Job Title: Collection System Worker II (USA-PA)

Job Summary:

The Collection System Worker II performs a variety of maintenance, operational, and repair tasks involved in the City of Perth Amboy's wastewater collection system and pump stations.

Work Performed:

1. Report to the Collection System Supervisor.
2. Perform a variety of semi-skilled maintenance, operational, and repair tasks involved in the City's wastewater collection system and pump stations.
3. Clean wastewater collection system, storm drains, flood control facilities, inlets, manholes, wet wells, pump stations, and opens clogs in lines.
4. Assist and/or operate in the process of a hydro cleaner and/or sewer vacuum truck to flush system.
5. Assist and/or operate in the process of sewer cleaners, jet rodders, and TV inspection equipment.
6. Required to be on-call as scheduled by the Collection System Supervisor.
7. Inspect pump stations and remove debris.
8. Operate a variety of construction equipment including air compressor and jack hammer.
9. Learn the limits of the collection and the distribution systems while becoming familiar with reading and understanding both maps.
10. Perform line locating and marking throughout the City for both the sewer system and the distribution system.
11. Conduct traffic control when working in high traffic areas of the City; install street barricades and cones prior to the performance of maintenance or repair activities; directs and controls traffic around work sites.
12. Work with crews raising manholes, repairing sewer manholes, and mixing concrete, as needed.
13. Repair and maintain water and sewer mains and lines; assist in repairing drains and sewer facilities.
14. Maintain company assigned vehicles in a clean and safe condition at all times.
15. Communicate with other employees, customers and the general public in a responsible and courteous manner.
16. Perform maintenance and repair function on the water distribution system.
17. Attend training and safety meetings, as required.
18. Perform related duties, as required.
19. Work unscheduled overtime, as required.

Qualifications:

- High school diploma or equivalent, required.
- Must have a valid driver's license.
- Possession of a Class A Commercial Driver's License (CDL) or the ability to obtain one within six months after the employment date.
- Availability to work overtime on an emergency and/or call-in basis.
- Willingness to work outdoors on a year-round basis.
- Ability to work unsupervised and maintain productivity and safety.
- Ability to work scheduled standby on a year-round basis.
- Excellent attendance record.
- Ability to speak, read, write, and understand English, required.
- Ability to speak and understand Spanish, desirable.

Physical Requirements:

- Ability to work, stand, and sit for prolonged periods of time.
- Ability to frequently stand, bend, kneel, crouch, crawl, climb, reach, twist, grasp, and make repetitive hand movements in the performance of daily duties.
- Ability to climb unusual heights or ladders.
- See in the normal visual range with or without correction.
- Ability to work in confined spaces.
- Hear in the normal audio range with or without correction.
- Ability to hand dig, perform heavy manual labor, and lift 100 pounds.
