

TIDEWATER UTILITIES, INC.
PRE-APPLICATION FOR WATER SERVICE

In order to determine if water service can be provided, complete all of the fields below. If any information is missing, the application will not be provided.

Is this property currently served by a well? Yes _____ No _____

If Yes, you will need to submit a written certification from a licensed plumber stating that the well has been disconnected from your plumbing before the Tidewater water service will be turned on to the premise address listed below. The written certifications should be faxed to (302) 734-9296 or call 302-747-1301 for additional questions.

Check Type of Service you are applying for: Water Service Irrigation Service
(separate applications required for each service)

Lot# _____ (must be the lot # supplied by the county)

Subdivision: _____
(IF NOT WITHIN A SUBDIVISION PLEASE SUPPLY THE TAX MAP AND PARCEL IDENTIFICATION NUMBERS)

Account Name : _____ (Person responsible for initial fees)

Service Address: _____

Home Phone # _____

Business Phone # _____

Cell # _____

Billing Information: (mailing address) _____

Meter size: _____

Check Type of Structure: Single Family Multi-Family Townhouse Mobile Home
 Commercial.

If commercial, what type of commercial property is it? _____

If the structure is a Multi-Family, Townhouse, or a Commercial building and you require a 2 inch meter or larger, please indicate if you require a private fire service line. Yes _____ No _____

Once you receive the application, please read it carefully and fill out where applicable. Keep a copy for your records and send back the original with a check for the fees. The return address is on the top of the first page of the application.

Please be aware that it is the **customer's responsibility to have the water hooked up from the water meter to the structure** after Tidewater has completed their installation. Tidewater is responsible for hooking up the meter to the Tidewater water main.

Allow at least 60 days processing time for new service.
