

contractor for

June 2021

Dear Middlesex Water Customer,

Please be informed that Middlesex Water Company has contracted with Saks Metering to conduct a water meter upgrade project in your area. Authorized installers from Saks Metering will be working in the community with photo identification, car signs, and company uniforms to perform this important project. Typically, the upgrade of your water meter should take no more than an hour to complete. You may experience a temporary water disruption, but only during the installation.

For most water customers, since the meter is located in your house or building, you will need to make an appointment with us. Please be assured that Saks Metering follows all CDC and Department of Health protocols and recommendations in regards to COVID-19 to ensure customer safety whenever there is customer contact and/or home entry requirements.

Please reach out to us via any of the convenient methods below to make your appointment:

1. You may visit our website at [www.SaksMetering.com](http://www.SaksMetering.com) and click on "Schedule Appointment"
2. You may email us at [info@saksmetering.com](mailto:info@saksmetering.com)
3. You may call our office at [877-583-7257](tel:877-583-7257) and schedule your appointment over the phone

Should you have any questions or concerns regarding this project, don't hesitate to contact Saks Metering at 877-583-7257 or Middlesex Water Company at 800-549-3802.

**We thank you in advance for your cooperation.**
